Dear Amy,

I love you too, and thank you. Your email is direct and pertinent. I can't tell you how important that is. I will quote your comment or question and respond to it.

(1) *"...and I don't want you to respond in emails of your reasoning because I just wouldn't get it from your perception."*

I feel that the written word is the clearest way to try to describe something complicated, and it leaves a reference of who said what. It minimizes confusion. If you think there is a better way than my responding by email, please tell what it is.

Would you please explain what you mean by *".. I just wouldn't get it from your perception"*? I am aware that my credibility has been destroyed. Is that what you mean?

(2) *"..... I personally don't understand your reasoning for your name only to be on the sell of the contract. I thought that accotink was yours, my moms and aunt sheila's.....if it were to be sold then the profits would be of all three of you.."*

This hits the nail on the head. I think others may have been led to think the same as you. Would you please tell me why you thought I was trying to get all the proceeds? Did someone tell you this?

The Seller for Accotink will be the **Trustee** for Accotink. I will sell Accotink as **Trustee** and the proceeds go to the three **Individuals**: Jean Mary O'Connell Nader, Sheila Ann O'Connell, and Anthony Miner O'Connell. The Trustee receives a value added amount. Please read the Trust documents of 1992. There will be clear accounting showing where all the money went. It is necessary to differentiate between me as **Trustee** and me as an **Individual**.

If you see a sales contract for Accotink that says the Seller includes "Anthony Miner O'Connell, Individual", that is wrong. I will not sign any sales contract for Accotink that says this. Would you believe me when I tell you that I have been framed to appear that I do want this? That is why you have to see for yourself by reading attachment example 2. Please read it and study it and think about it until you understand the dynamics. I find it extremely stressful to do this but unless you do it, you will never understand what is going on and you will never believe me.

History suggests that my sisters will be led to believe that I am trying to cheat them when I sell Accotink. One way is by this **Trustee** and **Individual** business in example 2. History suggests that it will be coming up again and again and again. And there is nothing I can do to stop it except to ask you to read and understand example 2.

I will have to put a clause in the sales contract that will allow the Seller to get out of the contract without penalty or other damage if the dynamics such as the above start to interfere.

(3) *" It all just seems to me that your relationships with your sisters are stressed and to me financial issues aren't worth that."*

This also hits the nail on the head (as my Mother would say). To determine (1) who is the source of the problems, and (2) who has the power to stop the problems, please try to read my email and attachments of April 6, 2008. It is not me.

To show why all the conflict, confusion and stress was put upon us during the handling of my Mother's estate, it is necessary to find out where all the money went. But we don't have the power to do it.

I love you Amy, Uncle Tony

Uncle Tony,

I hope your surgery goes well, Please let me know when you are home recuperating. I have read your emails about Accotink and have saved and opened them. I have browsed through attachments of email correspondance and forms. I personally don't understand your reasoning for your name only to be on the sell of the contract. I thought that accotink was yours, my moms and aunt sheila's....if it were to be sold then the profits would be of all three of you.....I know it is not that simple,, ,,and I don't want you to respond in emails of your reasoning because I just wouldn't get it from your perception.....Some things in life don't have to be so complicated, and I don't know why this is,,,,,,

I just felt this time, that I had to reply,,,,I know I don't know the details,,,which seem to be numerous to you but life is short and some things aren't worth the stress, when there is so much to be thankful for and to enjoy. It all just seems to me that your relationships with your sisters are stressed and to me financial issues aren't worth that. I don't want you to respond with any forms or "sections" that I should read to understand your thoughts, because its not about that for me.

I hope you are doing well,,,and wish this issue could come to a close for you and your sisters.

I love you,

Amy

Dear Jean and Sheila,

Because you do not believe what I have been telling you about Accotink, such as Jean being used by people in powerful positions of trust to make money disappear, I do not believe you will believe me now. The only thing I can do is to ask you to go through the attached correspondence and judge for yourself. áThis correspondence is between me and Bill Lynch and his Title Company. áAs you read it, please ask yourself: áá

(1) Is a title search on Accotink actually being done or just pretending to be done?

(2) Are responses so skilled in deception that on first look they appear to answer questions, but further study shows that they avoid the question?

(3) Am I being made to appear as the bad guy for asking questions they don't want to answer?

(4) Should you trust this Title Company and/or this Buyer?

(5) If you followed their advice, what do you think would be the consequences?

Dad's Will has been made part of the legal description for Accotink when it shouldn't be. I am powerless to get an explanation or have it removed. This and history suggest that the same thing that happened in my sale of our home place in 1988 is set up to happen in my sale of Accotink.
